

## ARE YOU INCLUDED?

We may go through, what seems like 'hell on earth'  
But when we know the real Jesus through spiritual birth  
Then we can be sure, God won't let us endure  
Beyond what He knows, we are able to bear  
Please consider the price, just look what it cost  
Jesus left Heaven's glory, to come for the lost  
He longs 'that none should perish'  
But He knows that many will  
His heart is aching, breaking  
Yet His Spirit's pleading still.....  
So - will you be included in the multitudes of Heaven?  
He shed His Blood in agony  
So that you could be forgiven!  
Salvation isn't automatic, but it's available for all  
Jesus made that possible - so when we upon Him call  
with every fibre of our being - He just meets us where we are  
Then we belong to Him, forever in His loving care.....  
Admit your sin, Believe He died, Confess it was for you!  
God raised Him from the dead, so that you could be 'brand-new'!
