PENTECOST THE HOLY GHOST DESCENDS UPON THE GENTILES AT CAESAREA. JUNE 22nd, A.D. 36 Acts x

There are three types in Holy Scripture which prove that the Holy Ghost descended upon the Gentiles at Pentecost, A.D. 33. The clearest of these is the 3 days' journey of Israel to Marah. (See Exodus xv. 22 to 25.)

CHRISTENDOM "CUT OFF" AS FOREWARNED BY ST. PAUL, JUNE 12th, 1933 ... Romans xi. 22

The extinction of Christendom would occur on or about JUNE 12th, 1933, was publicly declared by the authors of this chart on May 2nd, 40 days prior thereto.

TOTAL TIME FROM NEW MOON OF CREATION TO JUNE 12th, 1933: 6007 Solar Years, 103 Days.

NOTE: The 6000 years of man began on the ninth day from Creation, and were suspended by God during the whole course of time from the beginning of John the Baptist's ministry to the Ascension of our Lord into Heaven—a period of 7 years and 49 days. If we deduct 7 years 49 days plus 8 days from 6007 years and 103 days, the remainder is 6000 years and 46 days, which is the exact equivalent of 6000 Julian years of 365 1/4 days.

THE CONSUMMATION OF THE AGE

The Holy Scriptures, by means of certain types, make it perfectly clear that there would be an unreckoned interval or chronological parenthesis between the end of the Six Thousand Years of Man on June 12th, 1933, and the start of the Seventh Thousand Years or Millennial reign of Christ. This interval which our Lord called "the consummation of the age" (Matt. xiii. 39, 40, R.V. marg.) forms no part of any era or dispensation. The Bible views it as a chronological hiatus in which TIME cannot be reckoned. The events named in the Book of Revelation from chap. iv to xix occupy the last 7 years of this interval.

THE APOCALYPTIC ERA OF SEVEN YEARS

It has been stated above that the seven years A.D. 26 to 33 were cancelled by God because of the Messiah's rejection by both Jews and Gentiles. The Seven Years of the Apocalypse take the place of these cancelled 7 years in the 6000 Years of Redemption, the "Seventy Weeks" or 490 years of Daniel ix and "the Seven Times" or 2520 years of Daniel iv as shown by this chart.
