

**Designed or not designed?**

**That IS the question!**

**Question** - Were the cardboard boxes on the front cover designed and created, or did they happen by chance over billions of years?

Something as simple as a cardboard box!

Did it take an intelligent designer to produce them or did they evolve over time?

You know the answer...

Now for just one moment let's think about the human body and all its complexity.

**Question** - Did all this complexity just happen by random chance over billions of years or was the human body designed and created?

**You know the answer (remember the cardboard boxes)...**

**It is 100% IMPOSSIBLE for the human body to not have a designer!**

Only a fool, a liar, or someone deceived could 'believe' that the human body evolved over billions of years through random chance and mutations.

If you really believe in evolution, try honestly to think about the following questions:

1) Which evolved first; the bones, the ligaments, tendons, or the muscle bellies to move the bones? What about the nervous system to stimulate the movement?

2) What about the cardio vascular system - the heart, the lungs, the blood vessels, the blood. How could one exist without the other?

3) What of the lungs and their ability to carry out gaseous exchanges? How long before this system was functional and how could '*we*' survive without this mechanism fully operational in its inception?

4) What about the digestive system, and the body's ability to process foods and convert foods to energy? Or even the bodies resistance to its own acidic digestive juices needed to break down foods?

5) Which of these systems evolved first and how could they evolve without another, seeing as they rely on each other? *The Musculoskeletal System, Nervous System, Cardiovascular System, Respiratory System, Lymphatic System, Digestive System, Endocrine System, Urinary System, Integumentary System, Reproductive System...*

6) Where did all this '*information*' (that begins at a molecular level) come from?

How can love, hate, jealousy, anger, joy, excitement, satisfaction etc 'evolve'?

**It can't!**

How can everything come from nothing?

**It can't!**

**This is the evolutionary formula for the creation of the universe as we know it...**

Nothing + nothing = 94 organic elements known to man.

+ time = All the physical laws and a completely structured universe of galaxies, stars, planets, moons orbiting in perfect balance. And with our own earth perfectly and uniquely positioned to support life!

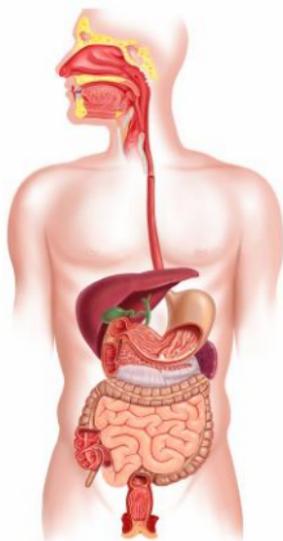

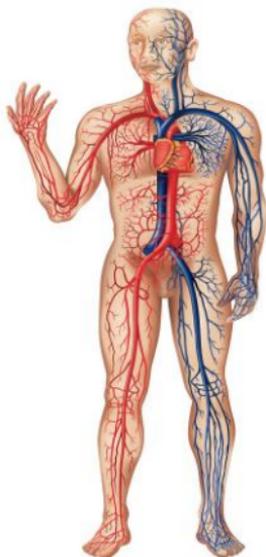

**This is the evolutionary formula for making LIFE...**

Dirt + water + time = living creatures!

Evolutionists theorise that the above two formulas can enable everything about us to make itself. They would suggest that when we look at a cardboard box, or a car, or a house we should assume (rightly) a designer, but when we look at the complexity of the human body or the organic world about us, we are to believe it happened by chance.

**This doesn't make sense!**

## The NONSENSE of Evolution

**It takes a lot of faith to believe in evolution.**

Nothing produces everything!

Non-life produces life!

Randomness produces fine tuning!

Chaos produces information!

Non-reason produces reason!

**The theory of evolution...**

Hydrogen is a colourless odourless gas, which given enough time, turns into people.

**The fool has said in his heart, "There is no God."  
(Psalm 14:1)**

Men don't believe in evolution because it is scientifically accurate but because they don't want to give account to their creator.

**So what now?**

You were created by God, in the image of God. He has freely given you this life to live. Have you lived it for Him or have you lived in rebellion against Him?

If you are honest you will acknowledge that you have rebelled and committed sin (the breaking of God's moral law) - perhaps by lying, thieving, greed, hatefulness, selfishness, lust, fornication etc. What about blasphemy or using the Lord's name in vain? Judicially your sins have eternal consequences that results in separation from a holy and righteous God. Therefore, you must seek God's forgiveness and His means of reconciliation as:

**The unrighteous will not inherit the kingdom of God  
(1 Corinthians 6:9).**

Yet God has made a way through the life and blood of His perfect Son - Jesus the Messiah, as it is written:

**For He has made Him, who knew no sin, to be sin for us; that we might be made the righteousness of God in Him (2 Corinthians 5:21).**

## **Our Day of Judgement is Coming Soon**

**And as it is appointed for men to die once, but after this the judgment (Hebrews 9:27).**

**But:**

**For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life (John 3:16).**

**That if you shall confess with your mouth the Lord Jesus, and shall believe in your heart that God has raised Him from the dead, you shall be saved (Romans 10:9).**

Let God's righteousness be your righteous covering, by simple faith in Him and His finished work. Turn, trust and serve Him today, before it's too late... None of us know what tomorrow will bring!

**I will praise You, for I am fearfully and wonderfully made; marvellous are Your works, and that my soul knows very well (Psalm 139:14).**
