

THE LORD'S TABLE - 'LET HIM WHO HATH EARS TO HEAR LET HIM HEAR'

As we eat this precious bread and drink redemption's cup  
We acknowledge all that our Saviour has done,  
May our souls be nourished, cleansed, renewed  
By the Lord Jesus Christ - God's anointed One!  
who ordained this remembrance, commanding us to do the same,  
So never come in 'light manner', but revere and fear His Holy Name!  
Never 'go through the motions' with consecrated bread and wine,  
Be still and search your soul, each time the Lord invites you dine -  
God sees and knows all thoughts, the very intent of each heart!  
So come in humility, if you desire to take part -  
Often 'the body is weak and sick and even many sleep',  
By coming unworthily - our sinful state should make us weep!  
But praise God! He's paid our debt which no-one else could,  
Willing to suffer and die, shedding His Unique Blood!  
But NEVER 'do this in ritual' ,with this bread and wine,  
Each time a 'soul-searching' encounter,  
When the Lord God bids us dine!  
'God will not be mocked, we WILL reap what we sow',  
So say what you mean and mean what you say,  
As you come before Him now! AMEN!

Jenny
